UNION SPRINGS CENTRA

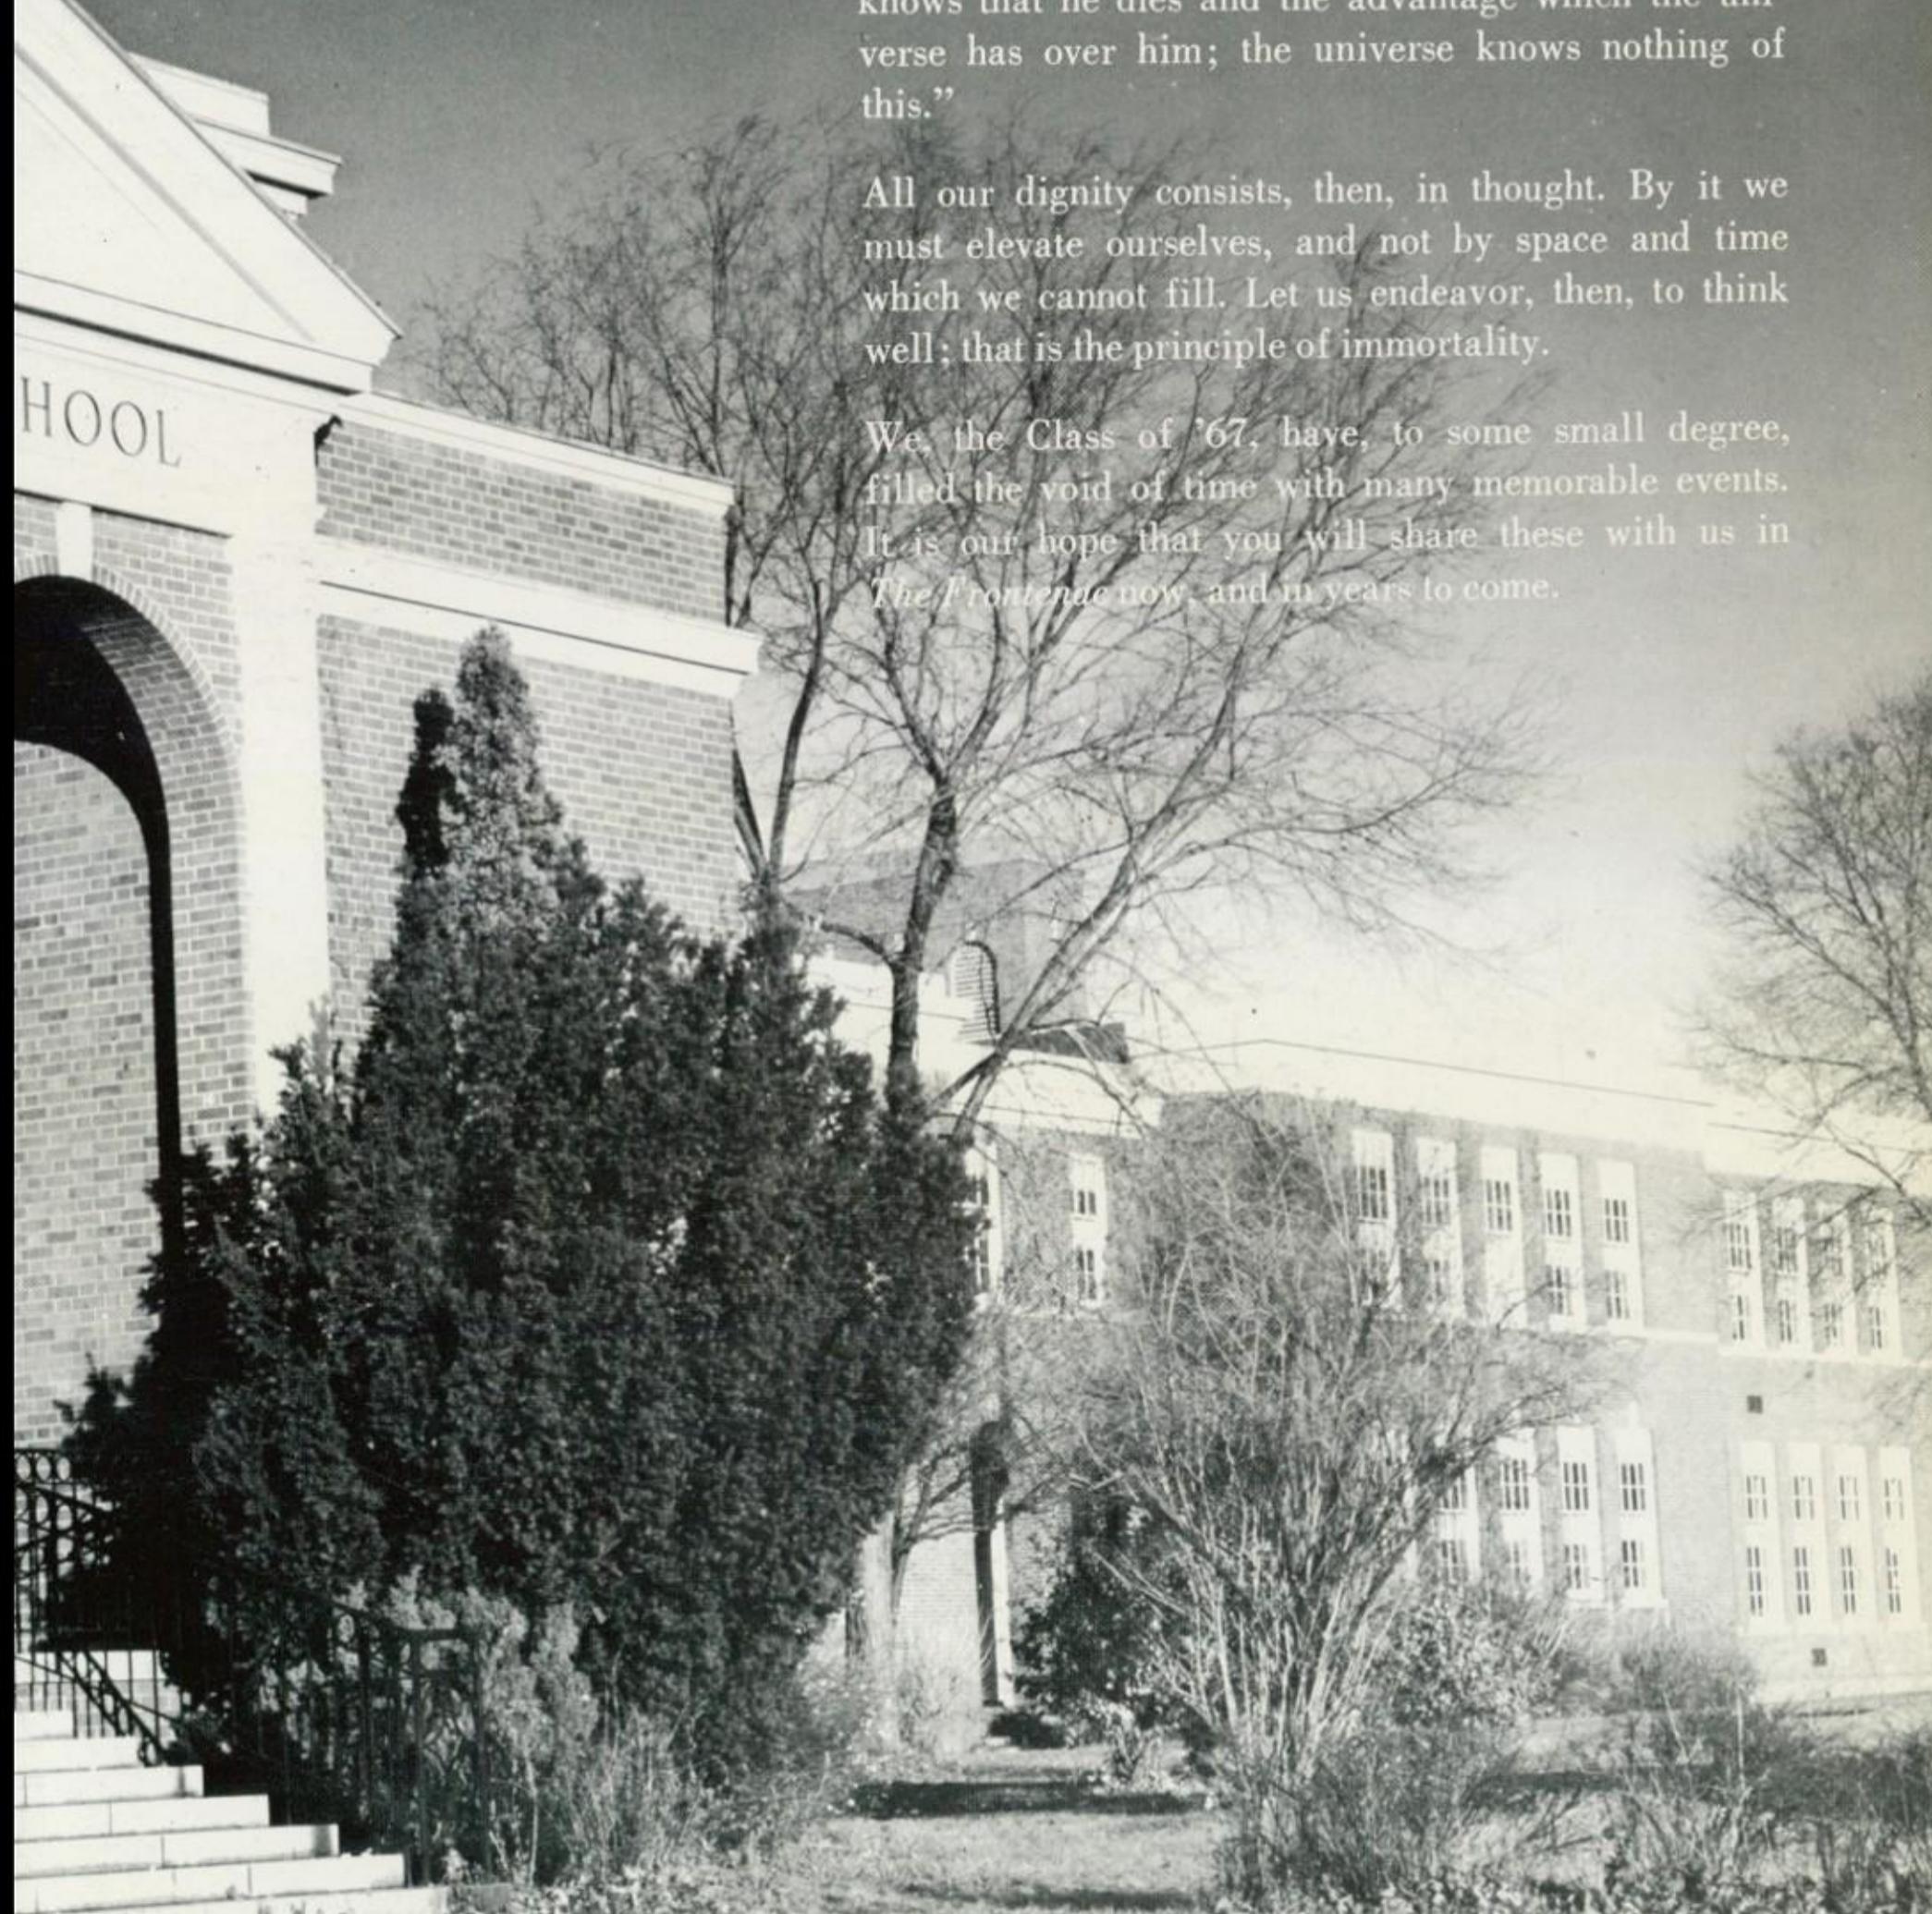

Foreword

Blaise Pascal wrote: "Man is but a reed, the most noble thing in nature; but he is a thinking reed. The entire universe need not arm itself to crush him. A vapour, a drop of water suffices to kill him. But, if the universe were to crush him, man would still be more noble than that which killed him, because he knows that he dies and the advantage which the universe has over him; the universe knows nothing of this."

All our dignity consists, then, in thought. By it we must elevate ourselves, and not by space and time which we cannot fill. Let us endeavor, then, to think well; that is the principle of immortality.

We, the Class of '67, have, to some small degree, filled the void of time with many memorable events. It is our hope that you will share these with us in *The Frontenac* now, and in years to come.

Appreciation

There is a certain quotation from Chaucer that aptly describes our dedicatee: "And gladly wolde he lerne, and gladly teche." As those students will attest who have learned of Rome's wars and Russia's steppes from him, Mr. Vazquez goes beyond the facts of history and helps them to discover why and how events occurred. But Mr. Vazquez, as our class advisor throughout Senior High School, has given us much more. He has given us much of his time, imagination, encouragement, and advice. He has helped us solve our problems and has guided our class through three years of dances, elections, and a prom, to the final goal of graduation.

For your invaluable assistance and friendship we, the Class of 1967, dedicate this issue of the *Frontenac* to you, Mr. Frank Vazquez.

ADMINISTRATION

Superintendent of Schools

Dr. Leo A. Soucy

To The Class of 1967:

My sincerest congratulations go to each of you upon the occasion of your completing the first thirteen years of formal education. You also have my best wishes for success in the future as you take your place in our dynamic and complex society.

Sincerely,

Dr. Leo A. Soucy

Supervising Principal

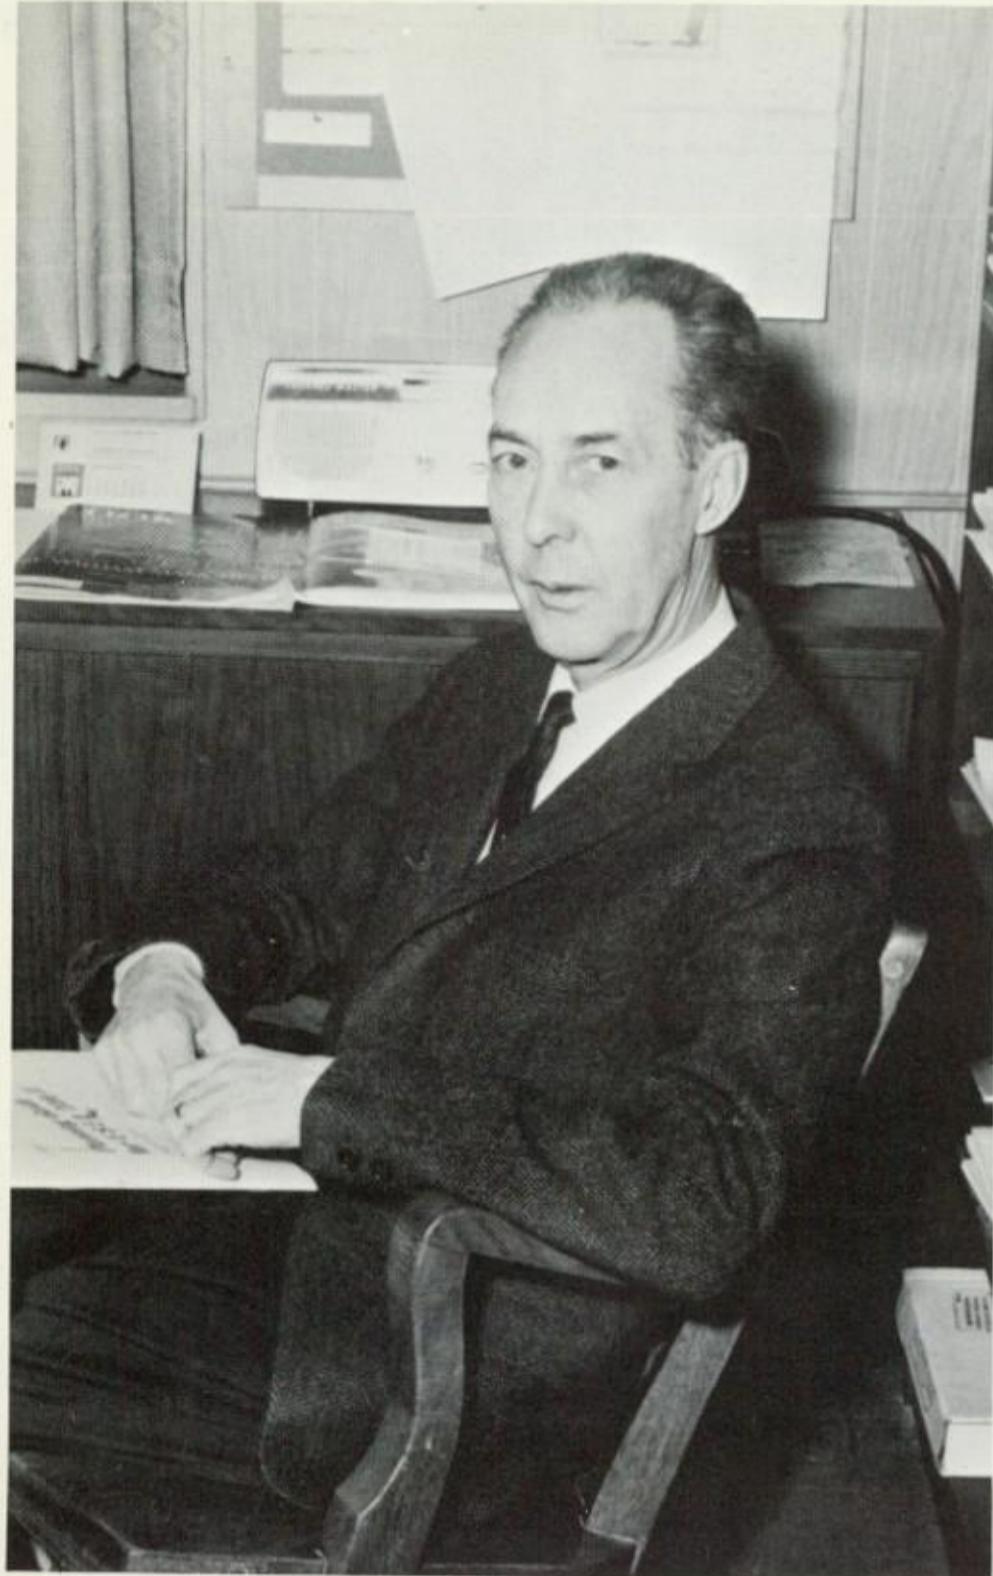

Mr. John Baader

Graduation from high school signifies a foundation point in the process of learning. The real test for you is yet to come, for how you live as individuals and as groups is the criterion that remains to be evaluated. The measure may be as stated by Joseph F. Newton:

“When is man educated? When he knows how to live, how to love, how to hope, how to pray—glad to live and not afraid to die, in his hand a sword for evil, in his heart a bit of a song.”

We believe that the members of the Class of 1967 shall meet the criterion successfully and reflect our confidence and positive expectation.

Senior Trip to New York City

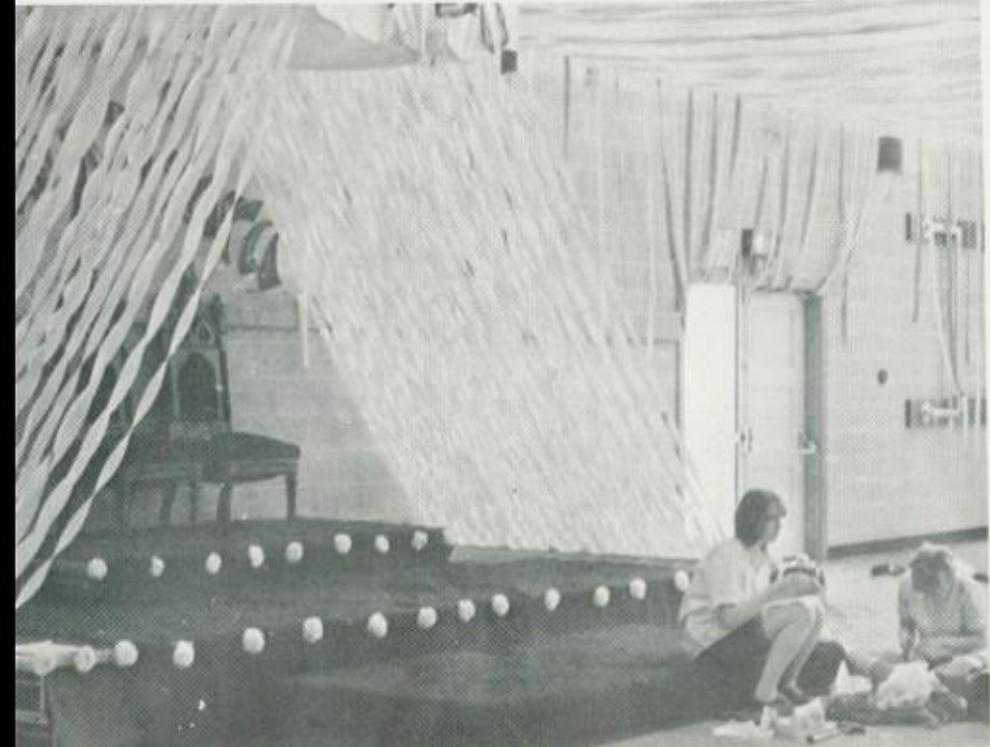

On the twenty-first of October, fifty-five Seniors unloaded the Union Springs buses in front of the Lincoln Square Motor Inn. We were in New York City to participate in a state project. The agenda included visits to the Museum of Natural History, the Hayden Planetarium, the Metropolitan Museum of Art, the Lincoln Center, and some sightseeing during our free time. The climax of the two-day trip was the viewing of *The Alchemist* in the Vivian Beaumont Theatre at Lincoln Center.

After hurriedly packing our things we left New York on the evening of the twenty-second. It was a trip we will not soon forget.

All This

led to our prom . . .

Sayonara

"Sayonara" means good-bye in Japanese, but to the Juniors it brings memories of a gala evening—the evening of May 20—the Junior Prom.

By dint of imagination, hard work, and dogged determination, the Juniors transformed the gym into an oriental city; complete with a Japanese garden, cherry trees, pagodas, Japanese lanterns, and incense.

Ellie Shutter and Harry Slywka were crowned Queen and King of the Prom. Members of the Queen's court were Penny Davis, Linda Wicks, Connie Reilley, Undine Hollatz, Peggy Vrooman, and Barbara Redfield. Her attendants were Laurie Springstead and Brian Carter.

American Field Service

BARBARA REDFIELD

This year we were also able to send one of our students to another country. Barbara Redfield was chosen as a Summer Program student to Germany. She lived with the Ole Scholz family in Hamburg, Germany, but she spent six of the eight weeks she was there participating in the *Deutsche Waldjugend* (a youth group) with her four brothers and sisters. They camped first near Flensburg, where she met the family of an A. F. S. returnee and spent several weekends with them. She was also in the village of Hüllerup, and in a recreation camp in Denmark.

Barb said the best part of her trip was meeting the German people, because they were "so open and friendly." She hopes to be able to return to study in Germany.

We're sure Barb had a wonderful experience, and our class is happy to have had one of its members participate in this program.

Barb's German Family

Representatives

Again this year we have been fortunate to have an American Field Service student studying in our school. She is Maria Lucia Stape, from Tatui, Brazil, who is living with the John Daly family.

Maria arrived in August, started school in September, and soon became a part of the class. She is an active chorus member and enjoys all the school functions. She is also kept busy speaking to groups and participating in A. F. S. activities.

When she returns to Brazil, Maria hopes to attend St. Paulo University to study to become a language teacher. After the two year period required before A. F. S. students may re-enter their host country, she would like to study in America for a year or two.

Maria has contributed much to this year and to our class. We wish her lots of luck with her future plans, and hope she will long remember her stay here.

SOUTH PACIFIC

This year's presentation of the Rodgers and Hammerstein musical "South Pacific" by the senior chorus was acclaimed as one of the best they have yet produced. Parts were cast and rehearsals begun in January, and shortly afterward the stage crew was busy collecting the props necessary to represent Seabees on a Pacific island during World War II.

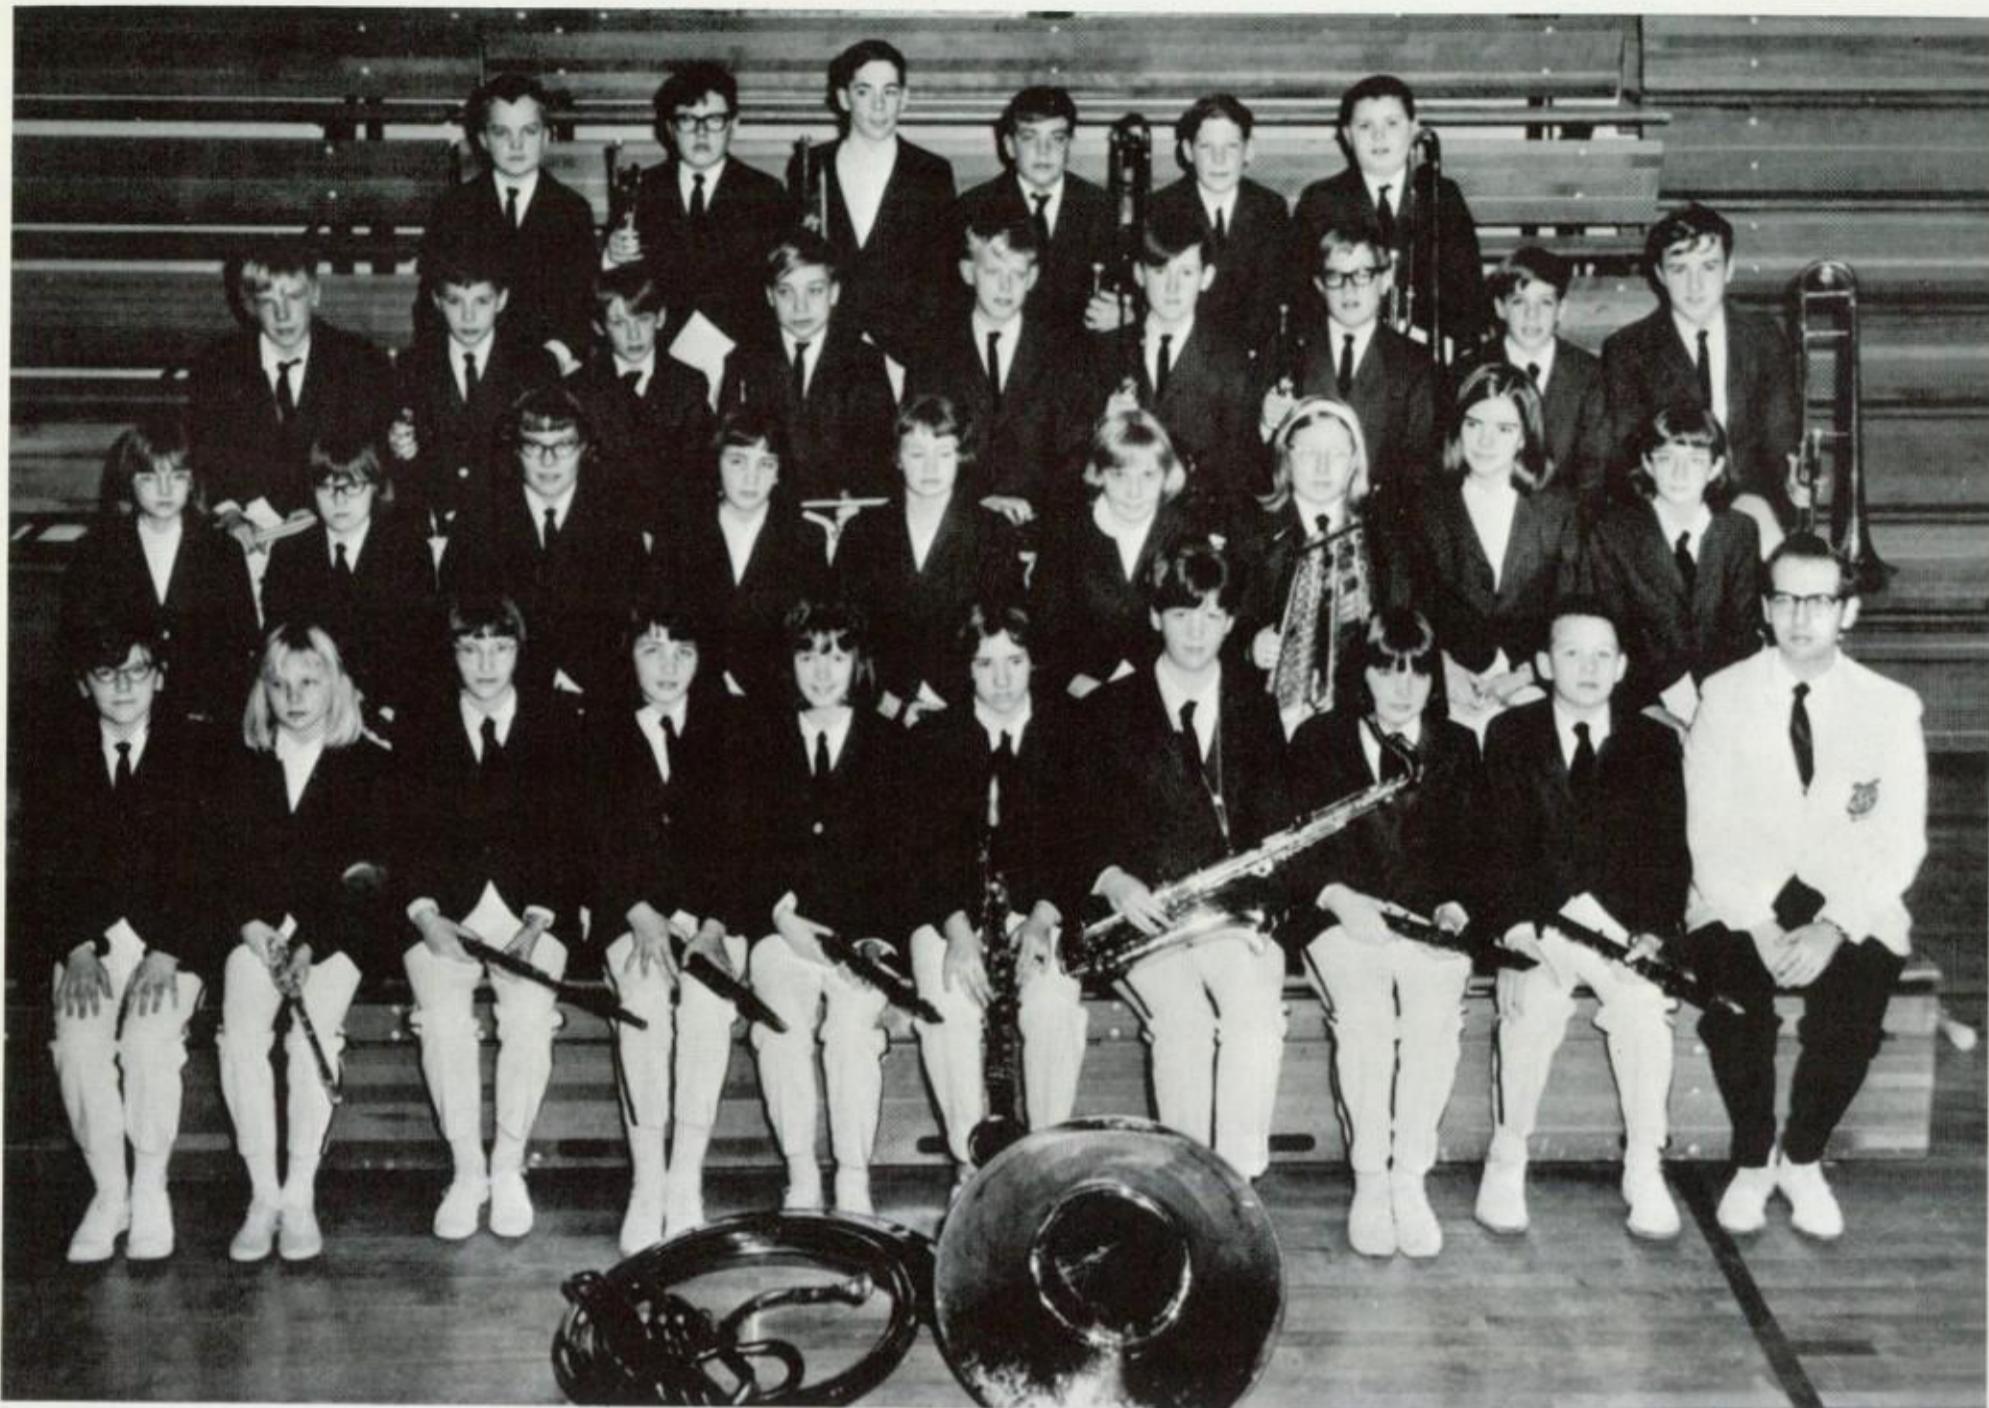

In this operetta Nelly, a Navy nurse, played by Peg Vrooman, succumbs to the charms of Emile DeBeque, a Frenchman, acted by Bruce Bommersbach. During the ensuing scenes the audience meets Bloody Mary, a shrewd native woman (Beth Hurlbutt), Her lovely daughter Liat (Nancy King), Liat's lover Lt. Joe Cable (Paul Tavener), his commanding officer, Captain Brackett (Don Wayne), along with many delightful sailors, nurses, and native girls.

Everyone who saw "South Pacific" agreed that it was a worthwhile evening.

ATHLETICS

Our Varsity Club

The Varsity Club grew again this year. The club's constitution was redrafted and, hopefully, the aims of the club have been clarified and updated. A new system of admittance has been established under which an athlete fills out an application, obtained from the club advisor, and is admitted at semi-annual induction meetings.

Mr. O'Leary, our advisor this year, was helped by the other members of the coaching staff in providing the leadership and guidance that is necessary to produce good athletes.

Varsity Club jackets were given to all senior members of the club. These jackets serve as a reward to seniors and as an incentive to all younger members.

The Varsity soccer team, under the leadership of its new coach, Jonas Kover, had its most successful season in recent years. Increased team effort enabled Union Springs to win the Class B championship of Cayuga County and to advance to the sectionals, where they were defeated by a strong Truxton Central team.

The U. S. squad was sparked this season by the scoring of senior David Paczkowski who netted ten goals. The offense was backed by a strong defense consisting of seniors Rich Casler, Bill Dougherty, Phil Powers, and goalie Jim Wright.

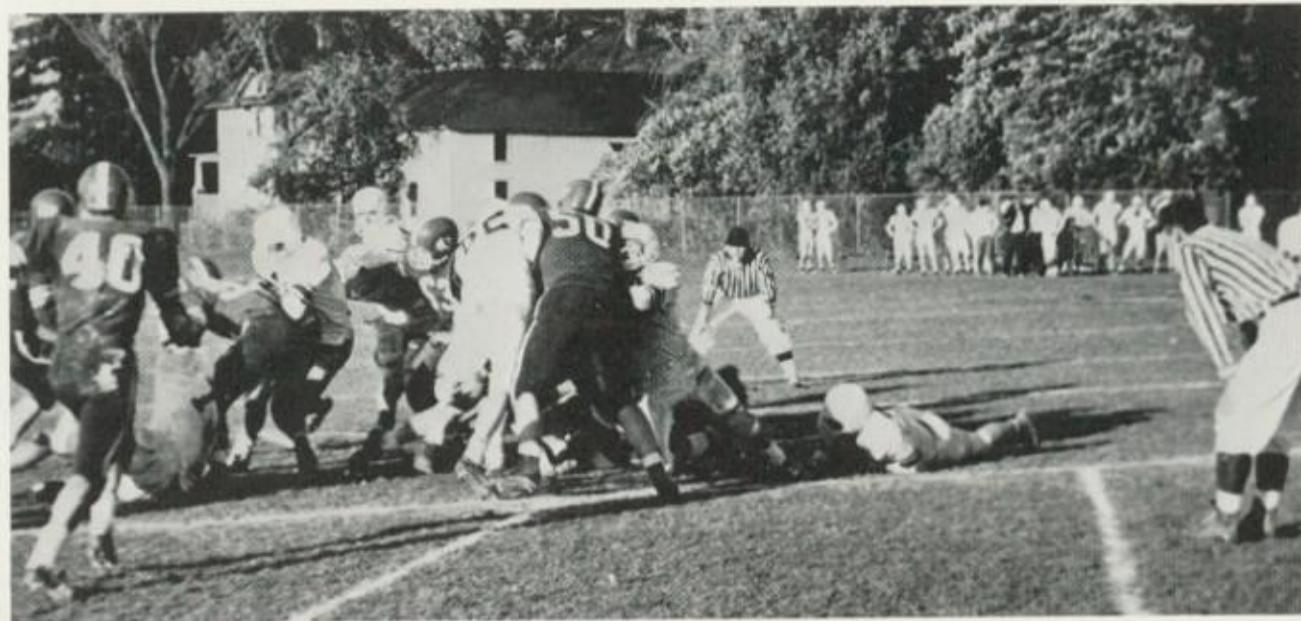

Next year's team should have a fine nucleus to work from with seven experienced first-string members returning, along with a strong bench.

It is hoped that the turn-out will be good next year so that the soccer team may continue to win.

The 1966 football team started out on a winning note by defeating a strong Phelps team 6-0, and ended the season with a respectable 3-4-1 record.

The leading ground gainer for the U. S. C. S. "Wolverines" was Senior, Harry Slywka, who played tail back this year. Rounding out the backfield were Ken White, Ted Slywka and Eric Lynn. Leading the team, defensively, was Senior, Ed Clark, who showed a real desire to win even when the odds were not in our favor. Senior members of the team this year were: Harry Slywka, Carl Pagano, Dave Bowman, Ken White, Bob Mills, Dan Telvock, Ed Clark, Mike Hill, and Bill Kime. At the end of the season Harry Slywka and Carl Pagano were chosen for the County All-Star Team.

This year the team was plagued by numerous injuries to key men, but the coaches are looking forward to a fine team next year with many returning lettermen.

J.V.'s Lose One, Place Second

The J. V.'s started out the season on the wrong foot by losing to Weedsport in a pre-season game, 26-0. However, they went on to lose only one other game during the season; to Port Byron, who went undefeated this year. In regular season play they defeated Weedsport, 12-6. The team showed much improvement and also displayed great team effort.

Leading the team in scoring was Dick Vrooman; Mike Davis, Steve Gelsi, Alan Avery, and Mark Albright also scored. Gary Stamp showed such an outstanding performance as tackle that by the latter part of the season he was raised to the varsity squad. Also showing good defensive ability were Kirk Hares, Dave Schenck, and Craig Powers.

Their hard work and enthusiastic interest in the sport enabled them to place second in the Cayuga County League.

The U. S. C. S. wrestling team had a very successful season this year. They placed third in the Wayne Finger Lakes League by losing two very close matches, one to Phelps by two points and one to Dundee by one. They also tied Victor, the league champions, 20-20. However, in the Cayuga County League they were first in league competition with a 5 and 1 record. They also took the County Tournament by a large margin. Three first place winners, one second, and five third enabled the team to place third in the Union Springs Invitational Tournament. Four boys placed first in the County Tournament: at 95, Craig Powers; at 120, David Wayne; at 138, Rich Casler; and at 165, David Ferguson. Carl Pagano placed second while five other members of the team placed third. The team will surely miss the four seniors from this year's varsity squad: Phil Powers, Ken White, Carl Pagano, and Rich Casler. At the end of the year, a team captain and an outstanding wrestler were selected by the team. Phil Powers was elected captain, and Rich Casler was elected the outstanding wrestler of the year. With the returning lettermen and some interested Freshmen, the team can look forward to another successful season next year.

This year's basketball team ended the season with a 3-9 record in league play and a 5-11 record overall. It was not as successful a season as hoped for, but the whole team worked hard. Dave Bowman, the team's leading scorer, was also third leading scorer in the county with a 20.3 average. He was elected to the All-Star team this year. The departing Seniors are: Dave Bowman, Harry Slywka, Eddie Clark, Jim Wright, Dave Paczkowski, Bob Mills and Bill Kime. Next year's team will have a number of returning veterans and should do well.

The team was honored with the presentation of the sportsmanship trophy at the annual play-off games. This award was voted on by the coaches of the county schools.

The 1966-67 Junior Varsity basketball team had the best season in recent years. The team tied for first place with Southern Cayuga. The only losses in league play were to Southern Cayuga and Weedsport. They compiled a 10-2 record in league competition and a 12-4 record over-all.

Leading the team this year were Curtis Clark, in scoring, with 201 points and Dave Ingalls in rebounding with 182 rebounds. Rounding out the starting team were Alan Avery, Ken Fox, and Dick Vrooman.

An equally successful team is expected next year with the return of many experienced players. Also, the varsity should have greater depth with the raising of some of the J. V.'s to varsity level.

Last year's tennis team, under the leadership of Coach Eric Brown, had a very good season. The U. S. tennis team took second in the Cayuga County Tennis League. First man on the team was played by Junior Dave Paczkowski, who had a 9-1 record. Second man was Junior Ed Clark and third man was Freshman Curtis Clark. The doubles team and alternates were Jerry Paczkowski, Dave Kapcha, Gerald Patience, Mike Vazquez, and Phil Wilson.

This year the team will be under the leadership of Coach Sinnegan. The hopes are high for a very successful season this year with the top three men from last year returning. Coach Sinnegan is hoping for a good turn-out this year so that there will be some experienced men to take the place of the graduating members of the squad next year.

The 1965-1966 golf team captured the county trophy last year. The five starting players: Mike Jones, Pat Tata, Boyd Foster, John Mundt and Bill Stamp, have graduated leaving this year's team with all new members. Although none have played the higher positions on the team, they have gained experience on the golf course.

Nevertheless the team is hoping for another successful season and possibly another county title.

The '66 baseball season did not see the Springers achieve an impressive winning record; however, they did prove to be the spoilers in the County League, by defeating Weedsport and knocking them out of championship contention; outside the league, they broke the 19 game winning string of Lansing.

The '66 team was supported by the strong hitting of Harry and Ted Slywka; the pitching of Glenn Jorgensen, and a good job of catching by "Barney" Hill. Mike Hill, Steve Case, Bill Dougherty, Tim Marquit, Ron Hess, John Curtis, and Ed Farrelly were the pitchers for U. S.

The '67 team could be a tough one seeing that the squad suffered the loss of only four seniors. Also, there will be an abundance of experience which was gained in last year's competition.

Track Team Breaks Record

Row 1—B. Walters, J. Wright, D. Graham, G. Zakielarz, S. Saad, K. Fox. Row 2—E. Fuller, D. Lynn, D. Seitz, B. Kahler, A. White, D. VanHouten.

Last year's track team suffered because of lack of participation. However, Coach DeVore is looking forward to a bright future with the return of experienced members.

One of the bright spots of last year's season was the record breaking two mile run in the Cayuga County relay meet. The relay team was composed of Jim Wright, Sam Saad, George Zakielarz, and Alan White.

Hopes are high that there will be a better turn-out for track in the future.

Our Advisor

Miss Janet Richards

Miss Richards has been with us for two years, and in this short time she has become a well-liked member of the faculty. The time she devotes to her classes and the effort and enthusiasm she inspires is greatly admired. Thank you for doing so well.

Special Thanks

During Miss Sobota's few years at Union Springs, she has made many friends, being ready to help whenever and wherever possible. After school she is often found supervising cheerleading practice or preparing the pep club for an all-important basketball game. She is an avid sports fan and rides the spectator buses to each game. For this we feel she deserves our thanks and appreciation.

These girls, throughout the various sports seasons, have officiated. Often times they have been called on to officiate at games on the spur of the moment, but they have always come through. With Miss Richards as their advisor, the girls have not only officiated well, but have learned more about the sports they enjoy.

At the completion of the 1966 hockey season a team, consisting of those girls in grades 9-12 who displayed outstanding ability in hockey, was chosen.

A large number of girls participated in hockey this year, making the choice of a team extremely difficult. The girls deserve recognition for the honor they have achieved.

The tennis team was victorious, capturing first place and despite stiff competition the softball team placed third.

ALMA MATER
UNION SPRINGS CENTRAL SCHOOL

Near Cayuga's deep blue waters
Stands the school we love so well
With the green fields close beside her
Trees and shrubs and hill and dell.

U.S.C.S. Speed the echoes, ringing at thy call
U.S.C.S. Alma Mater, loved the best of all.

May our love for thee grow stronger
As the years go speeding by,
Be thy name remembered ever
May thy glory never die.

U.S.C.S. Speed the echoes, ringing at thy call
U.S.C.S. Alma Mater, loved the best of all.
